**JENAVEVE
JOLIE**

Awesome Jolie

You guys are awesome. Why? Because of awesome Jenaveve Jolie. I've been infatuated with her ever since I first saw her in pictures and then in videos. She is smoking hot, like I have to tell you, and is just a sexual fiend. Not only can she handle a single cock, but she's probably at her best doing two or three guys at the same time. What's great about her, too, is that she never looks bad when she's getting fucked. Her expressions and positions are great, and show just how much she loves sex. One word for her... don't ever stop!

— Danny, Hartford

**RACHEL STAR
MYKA RAIN
MICHAEL**

Threeway or the Highway!

Okay, so I'm not writing to tell you that the three way with Rachel and Myka was really cool, and hot. I'm writing to tell you that threesomes are the best, especially if the two others are girls, and especially if one is NOT your girlfriend. I tried to be up front with one of my girlfriends saying I liked threesomes and wanted her to do a few with me. The other girl is her choice. Well, we were gonna do it and she backed out at the last minute. She left the next day.

— Alan, Dover

Groovin' on Girls

Your magazine is just friggin' great, man. I can't get enough of it, I'm telling you. All of the old issues I have stashed away in back of my closet are so dog-eared and pages are stuck together, that I should just throw them out but I can't bring myself to do it. I think that when my brand new issue arrives in my mailbox each month, it's one of my best highlights for the month. I friggin' mean it. Don't change a thing, except to maybe run more sets of girls like Celeste Star and Lela Star. I don't know what it is about those two because typically I like mine blonde and stacked, but something about them just reads "fuck us" to me. I'd be mighty happy to sit in on one of your photo sessions. I'd be a good boy and sit in the corner and not make any gross sounds.

— Marc, Raleigh

Blaze's Glory

Dear photo department: I'd like to make a humble request. I'm an old man, and believe me when I say I've been around the block more than once. I've had the good fortune to travel extensively in my life and have experienced all kinds of women. I still like to rub one out now and again which is why I so deeply appreciate your magazine. What I'm asking for here is more pictorials depicting women with big breasts. That's about all that does it for me these days, although I do enjoy going through your mag page-by-dirty-page. I don't skip over anything, even though ads give me a chuckle. But what I wouldn't give to open my next issue and see several lovely full-breasted ladies having sex with each other and with guys that can handle them. By the way, I like my women to be au natural. Maybe a little baby oil spread all over their boobs to make them shine and glow. They could rub it on each other and squeeze their boobies, too. That would really make an old man's day.

— Don, NYC

You DON'T have to talk me into it! JoJo and Kylie barged into my room and started getting frisky. They teased me for being a fuddy-duddy, then started to kiss each other in front of me. I was appalled, and yet a little bit curious. Then they came over to me on the bed and pulled my breasts out and started kissing them. Oh, I must admit that it felt good and I can see why they wanted me to join in.

THE MAN CAVE

MASSAGE
ANYONE?

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Man, the Vegas Strip is one happening place. I think so because I'm a masseuse at a major resort hotel (my man cave!) on Las Vegas Blvd. Every January, there's a huge porn show in town and I massage many of the porn stars. On the surface, they are almost all really sweet ladies who do the job because they want to. Once in a while I'll have one that complains about the money, or having to get fucked in the ass, or the boyfriend that wants them out of the business. Sometimes, I'll see some that come in and their makeup is all gooey and they look wasted. Those will rarely talk, and sometimes they'll fall asleep on my table.

Admittedly, I have my favorites, and Lexi B. is one of them. I've been her masseuse for three shows now, and she looks me up

every time she comes into Las Vegas. Lexi comes from the Midwest and she'll stay in Vegas a couple more weeks after the show doing several scenes, get her money, get her massage, and fly back. I try not to get sexually involved with my clients, but every once in a while, one comes up that you just can't resist.

When she first started it was strictly girl-girl because of her pimpish-boyfriend. Then she came out a couple times without him knowing it and she tried other guys. It was all pretty tame until she discovered anal sex and became quite famous for it, losing her anal cherry on camera for the first time. Back home she remained the anonymous divorced housewife that's "living with some dude" on a quiet residential street.

She's fifteen minutes late for her massage today, but that's normal, actually that's early. She's all glammed up. I've never seen her so made up and she looks really hot. "I played a lipstick lesbian today." she says when I ask her about all the glam. Her eyeliner and eye shadow were a deep magenta which made her blue eyes stand out. She was wearing some gold lamé with those tall, clear stripper shoes. The top she wore did little to hide her full breasts. Her short gold mini skirt barely covered her crotch.

Lexi enters the massage room and I have it smelling of lavender, her favorite. She drops her stuff in the corner and begins to strip naked. "Raoul, honey..." (that's my Vegas name, and they love calling me that. It's so mysterious, they say.) All I did was fuck girls today and they got me so horny. What I missed is a nice big cock to play with. You got one handy?" I came up behind her and placed each palm on an ass cheek, fondling them. She turned and ripped the shirt off of me. I pulled her to me as her hands cupped my ass. One came round to find my already swelling cock, squeezing it rather hard. My hand found the zipper on her skirt, pulled it down and jerked it to her ankles. Lexi kicked it off and to the side. I went to my knees as she held me by my hair on each side of my head.

She had already dropped her top and I began to nip and bite lightly at her breasts. Then she pulled my face into her crotch. I could see her pussy lips through the sheer pink panties I quickly pulled off. She smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands. My tongue found her moist slit and her hard clit. Her groan gave her away as I sucked loudly at her entrance. I stiffened my tongue and tongue fucked her as I felt her first orgasm shake her body. I thought she would pull my hair out. Her thick fluids spurted all around my tongue and ran down the sides of her upper thighs. These girls really can come rather quickly, I thought.

Without hesitation I finished stripping her and myself as I pulled her to the table and whispered for her to bend over it. I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face. Lexi used her hands to spread her cheeks wider. I used my two middle fingers to probe her tight wet pussy as my tongue penetrated her anus. My fingers slid across her G-spot a few times more as she shook with another orgasm, spasming her sphincter around my stiff tongue. She had pulled my head so hard father into her butt cheeks that I had to hold my breath through her second climax.

She smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands. My tongue found her moist slit...

Her pink anal muscle gave way easily as I slipped my cock inside. Inch by slow inch I pushed inside letting my cock grow slowly while she adjusted to my size. I was in all but the last couple inches when she begged me to fuck her harder. Now I'm balls deep in her butt, pumping her hard until I withdrew all but the head, then slammed her ass again, my bloated balls slapping her pussy and clit.

Lexi loved this type of sex. She was a natural, placing one knee up on the table to open herself even wider. My balls continued to slap at her clit. My strokes were fast and deep, as her gasps for breath and her trembling legs gave her away. She grabbed my ass cheeks hard as her butt hole gripped and released me several times to match her last strokes. She again came hard as my climax was just as intense, filling her ass to overflowing as I gave one last thrust and we fell completely spent onto the table.

I helped her lie face down on the table, her face in the cradle. I lined six heated stones down her spine. While the heat soaked

in, I let my open hands slide down her sides, my fingertips barely touching her skin. My hands were on her ass and all talking stopped as she groaned how good it felt. I lightly oiled them and made opposing circles on her ass, spreading her crease wide to gaze at her charms. Her anus winked at me, as it seemed to invite me back. I let an oiled finger drag slowly down to the center of it and teasingly poked her hole again. She responded instantaneously as if to invite me in again. It was extremely difficult but I held back hoping that I could revisit this spot later in the session.

Taking the stones off her, I instructed her to roll over and started massaging her toes, then her feet and worked my way up her legs, letting my hands lightly brush over her bald pussy mound. I bent to lick and suck at her navel. My tongue licked toward the tights mounds of her breasts. Her nipples were already rock hard in expectation of my tongue. My fingers still played with her clit. My middle finger slipped inside her tight folds, adding to her torment of pleasure. I placed my lips over her nearest nipple, sucking it and rolling my tongue all round the bud. Her body began to tremble. Just a little at first. Then she started biting her lip and tossing her head back and forth as if to be embarrassed to come a fourth time. She could not, or would not, stop it from happening.

I left her in the throes of orgasm, pulling her to the end of the table. Her hands grabbed my ass cheeks as she lifted her legs and her ankles clamped behind my neck. I slid my engorged cock between her slippery labia, and took just two strokes to completely fill her pussy with it. Her pussy spasmed around my cock as I put my best moves on her. I would bottom out, roll my hips to grind

her clit against my pubic bone, then bring it back up, leaving only the head inside her. Lexi told me she thought I was teasing her pussy. To punish me she grabbed my cock and pulled it out of her. She pulled her legs over her more so that her knees touched her chest and started rubbing it in between her ass cheeks.

Then she squeezed it hard using it to pull herself up and we were face to face. She told me it was my turn to lay on the table and she got up on her knees and straddled my rocket. She lowered her pussy onto it and instead of moving up and down, grinded her hips down on me and then sideways in large circles while I was still deep inside her. That got me on the verge but she knew it and got off, leaving me there. My climax was getting farther and farther away. She then straddled me again and did the same circles rubbing my penis all over and through her insides. She told me she was looking for her g spot and I looked confused, but she told me not to worry. Within a couple seconds she found it and started going up and down slowly, laying her chest on mine. I reached back and grabbed her buttcheeks, pulling and pushing them down hard on me.

She rested for a minute on top of me and then looked at the clock on the wall. Her session was over. With one final jerk and slap of my penis, she turned around, fixed her hair and put on her clothes. Gathering up her bags from the corner of the room, she thanked me and paid the \$200 I charge for the massage. "I'll be back in a month, Raoul. Please mark a date on your calendar for me. I may bring a girlfriend with me. Okay?" I smiled with a huge grin. "Absolutely — I will." I said.

VRoooooom!

I couldn't wait to get to college. I was going to let out my frustrations on all the guys I could. I'd make them fuck me until I, or they, couldn't take it anymore. I started out at a sorority but they were into frat guys, which I was not. I liked the artsy, rebel type. The ones with long hair, tattoos, and a rebellious attitude. Right now, I'm still screwing everyone I can because soon the man pool is going to disappear when I leave.

AUGUST AMES

Let us PARTY!

So I'm a party girl, So what. I bet you were too, or a party guy. There's nothing wrong with that, unless you do things you shouldn't and that's very easy to do. But I've matured, I now channel that energy in front of a camera. And to think my new career started with a naked selfie in my bathroom.

SEX makes me happy - and smarter!!!

When I was in college, I would struggle with my classes and ultimately, my grades. This made me sad because I really tried. It's not that I was stupid, I just didn't get some of the subject matter. That's when I discovered that sex made me feel better and helped clear my mind. Little by little my grades improved!

OFF THE RECORD

YOU'RE MY
DREAM GUY

EMMA MAE

Very sweet, but not too innocent, are words that describe Emma perfectly. She started working her body after barely turning nineteen and hasn't looked back since. A virtual chameleon makes her one of our favorites.

FOX: tell us how you first broke into the adult industry. We know it wasn't conventional.

Emma: *I was on a radio show that used to have porn girls on commonly as guests of the show. I befriended this one girl through the show who shortly afterwards introduced me to an agent in the biz. The rest, as they say, is porn history.*

FOX: What did you do before porn?

Emma: *Before the show, I was a student on the islands, usually just hanging ten in the ocean. Then I came to live in L.A., and sometimes I felt totally dumb. When I started porn, I had so many weird requests, although I was never into the violent stuff. I loved having so much non-stop sex. I enjoyed being able to step outside of myself. The role-playing was a sexual turn on for me.*

FOX: Can you please describe your first scene for us? Who was it with?

Emma: *My very first girl scene was with a really famous starlet. Funny enough though, my first boy girl scene was with her husband. Strange, but it all felt very natural to me. I had wanted to do porn for so long that I felt complete and utter relief when I finally did. I was actually doing it and it felt wonderful.*

EMMA MAE

FOX: Were you a fan of porn before becoming a porn star? If so, what would you watch?

Emma: *To this day, I go through phases of what I like to watch. Right now I'm really into anal movies. Before then, I was completely into amateur porn. It always changes. I do remember watching this one female star and falling in love with her performance. All I can remember thinking that she had the prettiest looking pussy I had ever seen.*

FOX: Which performer were you most excited to work with? Why?

Emma: *I was very excited to work with Evan Stone and others. Like a lot of girls, I was also excited to work with Christian, for obvious reasons. I was also very excited to work with Nicole Ray. Needless to say she was great.*

FOX: Are you bisexual off-camera?

Emma: *Yes I am, although I do lean more towards men. I am genuinely into girls, though. I've enjoyed many in my day.*

FOX: Have you ever had a girlfriend in real life? Or do you prefer cock?

Emma: *I've never had an actual girlfriend and I don't think I ever will. When it comes down to having a relationship, I need a man.*

FOX: Describe your wildest lesbian encounter.

Emma: *In my personal life, I'm not too wild. Once when I was 19 years old, I fooled around in the bathroom at the movie premiere with one of my hot friends. I remember tons of finger fucking, although, sadly, no pussy licking. We kissed, grabbed and fondled each other. Now the encounter seems so tame in comparison, but back then I felt like a really dirty girl. However, in my porn life... you'll have to watch my movies and decide.*

FOX: What type of woman turns you on?

EMMA MAE

Emma: *I actually like really All-American looking girls. This makes me think that I just one of them. Nicole is a good example. I met her a couple years ago at an adult convention. Her booth was quite crowded. I walked up and asked her if she shot content, which is the classic pickup line for porn people. She laughed and we immediately connected. We exchanged numbers. When I got home, I totally cyber-stalked her online sites and webpages. We ended up going in a taxi to the show together a few days later. In the car, I totally started telling her all the things I have learned about her. She was like... "Whoa! You really look me up didn't you?" But hey, I got to work with her in the end. So what ever.*

FOX: In your opinion, who's the best kisser in porn?

Emma: *I think Mick B. is a phenomenal kisser. He's also blessed with a perfect penis, too. His cock is longer and straighter than most other guys'. There's something really nice about it.*

FOX: Tell us, who fucks you the best?

Emma: *My man!*

EMMA HEART

I LOVE my booty!

Believe it or not, I moved to Washington D.C. because I wanted to be a Senate page on Capitol Hill. I envisioned rubbing elbows with political bigwigs, but all they wanted was to try to rub my on my breasts and butt. I tried to dress down, but being as voluptuous as I am, it was hard. I thought I could work some of it off running between the House and Senate, but I'd barely get a few steps before getting hit on. No more!

A photograph of two women, Taylor Vixen and Sophie Knight, posing on a bed. Taylor Vixen, with long dark hair, is in the foreground looking at the camera. Sophie Knight, with blonde hair, is behind her, resting her head on Taylor's shoulder and looking over her shoulder at the camera. Both are unclothed. The background is a plain wall with a light switch.

LOVE that taste!

As guys, don't we wonder what a girl thinks about when she's licking another girl's pussy. Maybe it's about how it feels on her tongue. Maybe it's about how flicking the clit with her tongue is a turn on. Maybe it's how she tastes after she's been aroused.
